

Mid-term assessment protocol
Minutes of the meeting of the mid-term assessment Committee

The mid-term assessment was carried out on the basis of:

- doctoral student's report,
- opinion of the supervisor / supervisors / assistant supervisor,
- an oral or multimedia presentation by a doctoral student,
- discussions with the doctoral student.

The implementation of the doctoral student's individual research plan was assessed remotely via the "Zoom.us" platform. The course of the public part of the mid-term assessment Committee meeting was recorded on video.

Detailed justification by the mid-term assessment Committee regarding the result of the mid-term evaluation:

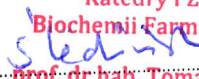

The Committee carefully reviewed the presented documentation and listened to the presentation of the PhD student. During the discussion, Prof. dr hab. Iwona Inkielewicz-Stępnik asked what was the most difficult aspect of the

conducted research. Prof. dr hab. Wojciech Miltyk emphasized the advanced methodology of the project including NGS data analysis. Prof. dr hab. Tomasz Śledziński asked about the contribution of PhD student in the recruitment of patients. Justyna Prokopiuk MSc responded to the questions in detail and exhaustively, and at a closed meeting, the Committee unanimously issued a positive opinion. In the Committee's opinion, Justyna Prokopiuk MSc is a promising PhD student whose progress in research for the doctoral thesis is satisfactory.

The mid-term assessment Committee composed of:

- 1) prof. dr hab. Tomasz Śledziński – Chairperson of the mid-term assessment Committee
- 2) prof. dr hab. Wojciech Miltyk
- 3) prof. dr hab. Iwona Inkielewicz-Stępnik

The mid-term assessment was carried out on 25.09.2024
