

Mid-term assessment protocol
Minutes of the meeting of the mid-term assessment Committee

The mid-term assessment was carried out on the basis of:

- doctoral student's report,
- opinion of the supervisor / supervisors / assistant supervisor,
- an oral or multimedia presentation by a doctoral student,
- discussions with the doctoral student.

The implementation of the doctoral student's individual research plan was assessed remotely via the "Zoom.us" platform. The course of the public part of the mid-term assessment Committee meeting was recorded on video.

Assessed PhD student

professional title, name and surname of the doctoral student	Krzysztof Sadko MD
supervisor/supervisors	Dr hab. Hubert Wichowicz
assistant supervisor	-
scientific discipline	Medical Sciences
the title of the doctoral dissertation project	Comparison of plasma nucleotide, aminoacids and their metabolites (including diurnal variations) in schizophrenic and bipolar individuals.

Mid-term assessment Committee comments:

The Committee, as a result of the evaluation of the submitted documents as well as the interview with the PhD student, unanimously assessed positively the implementation of the research plan by Krzysztof Sadko MD. The assessment of the Supervisor was positive. The PhD student answered the questions of the Committee members exhaustively, demonstrating great knowledge of the topic of the doctoral dissertation, including analytical methodology.

of PhD student in analysis of metabolites. Prof. dr hab. Krzysztof Książek emphasized the contribution of Krzysztof Sadko in biochemical experiments. Prof. dr hab. Tomasz Śledziński asked about the methodology, about the recruitment of control group, and about the indexing of a journal in which the review paper was published by PhD student. Krzysztof Sadko MD responded to the questions in detail and exhaustively, and at a closed meeting, the Committee unanimously issued a positive opinion. In the Committee's opinion, Krzysztof Sadko MD is a promising PhD student whose progress in research for the doctoral thesis is satisfactory.

The mid-term assessment Committee composed of:

- 1) prof. dr hab. Tomasz Śledziński – Chairperson of the mid-term assessment Committee
- 2) prof. dr hab. Krzysztof Książek
- 3) prof. dr hab. Michał Pikuła

The mid-term assessment was carried out on 23.09.2024
