

Mid-term assessment protocol
Minutes of the meeting of the mid-term assessment Committee

The mid-term assessment was carried out on the basis of:

- doctoral student's report,
- opinion of the supervisor / supervisors / assistant supervisor,
- an oral or multimedia presentation by a doctoral student,
- discussions with the doctoral student.

The implementation of the doctoral student's individual research plan was assessed remotely via the "Zoom.us" platform. The course of the public part of the mid-term assessment Committee meeting was recorded on video.

exhaustively, and at a closed meeting, the Committee unanimously issued a positive opinion. In the Committee's opinion, Katarzyna Woźniczka MSc is a promising PhD student whose progress in research for the doctoral thesis is satisfactory. The committee emphasized the application potential of the project and scientific achievements. Overall, the PhD student has demonstrated strong technical skills and a solid understanding of the employed methodologies. Based on the above, the Committee express a positive opinion on the progress in preparing her dissertation.

The mid-term assessment Committee composed of:

- 1) prof. dr hab. Iwona Inkielewicz-Stępniaak – Chairperson of the mid-term assessment Committee
- 2) prof. dr hab. Wojciech Miltyk
- 3) Prof. dr hab. Magdalena Prokopowicz

The mid-term assessment was carried out on 25.09.2024
