dissertation. All committee members emphasized the implementation of the doctoral thesis according to plan as well as a large number of experiments carried out. Yelyzaveta Razghonowa MSc responded to the questions asked in detail and exhaustively, and at a closed meeting, the Committee unanimously issued a positive opinion. In the Committee's opinion, Yelyzaveta Razghonowa MSc is a promising PhD student whose progress in research for the doctoral thesis is satisfactory. Overall, the PhD student has demonstrated strong technical skills and a solid understanding of the employed methodologies. Based on the above, the committee express a positive opinion on the progress in preparing her dissertation.

The mid-term assessment Committee composed of:

- 1) prof.dr hab. Iwona Inkielewicz-Stępniaak – Chairperson of the mid-term assessment Committee
- 2) prof. dr hab. Michał Piotr Marszałł
- 3) Prof. dr hab. Michał Pikuła

The mid-term assessment was carried out on 24.09.2024
