Mid-term assessment Committee comments:

well prepared research plan, good realization, very important preparation of publication, that is prepared.  
 Recruitment started in June 2024.  
 Publication planned in the end of 2024.  
 Very good progress and high quality of work.

Detailed justification by the mid-term assessment Committee regarding the result of the mid-term evaluation:

Mid-term evaluation positive.  
All planned doctoral research realized according to student's plan, and according to protocol.  
There were some logistic challenges but properly managed by doctoral student.  
Their research reached step by step as in protocol. At this moment one of the most necessary work is preparation of publication what is expected by the end of 2024.  
According to all doctoral student work mid-term assessment is positive.

The mid-term assessment Committee composed of:

- 1) Mr. Solli ..... – Chairperson of the mid-term assessment Committee
- 2) Prof. Francisco Buelan
- 3) Prof. Jean Jankau

The mid-term assessment was carried out on 24. 9. 2024.

Mr. Solli
